

Cookies Policy

Background

In accordance with Spanish regulations governing the use of cookies in relation to the provision of electronic communications services, contained in Royal Decree Law 13/2012 of March 30, we inform you about the cookies used on the TAISIYA ZUBAREVA website and the reason for their use.

It also informs you that by browsing the Web Site you are giving your consent to use them.

What are cookies?

A cookie is a file that is downloaded to your computer when you access certain web pages. Cookies allow a website, among other things, store and retrieve information about browsing habits of a user or your computer and, depending on the information they contain and the way you use your computer, can be used to recognize the user. Cookies are only associated with an anonymous user and your computer or device and do not provide references that allow us to know your personal data.

Types of cookies

Depending on the entity that manages it

- **Own Cookies:** These are those that are sent to the user's terminal equipment from a computer or domain managed by the editor itself and from which the service requested by the user is provided.
- **Third-party cookies:** These are those that are sent to the user's terminal equipment from a computer or domain that is not managed by the editor, but by another entity that processes the data obtained through the cookies.

According to the period of time they remain active

- **Session Cookies:** These are a type of cookies designed to collect and store data while the user accesses a web page.
- **Persistent cookies:** These are a type of cookie in which the data remains stored in the terminal and can be accessed and processed for a period defined by the party responsible for the cookie, and can range from a few minutes to several years.

According to purpose

- **Technical Cookies:** These are those that allow the user to navigate through a website, platform or application and the use of the different options or services it exist as, for example, control traffic and data communication, identify the session, access parts of restricted access, remember the elements that make up an order, make the buying process of an order, make the application for registration or participation in an event, use security features while browsing, store content for broadcast video or sound or share content via social networks.
- **Personalization Cookies:** These are those that allow the user to access the service with some general characteristics predefined according to a series of criteria in the user's terminal such as the language, the type of browser through which you access the service, the locale from which you access the service, etc..
- **Analysis Cookies:** These are those that are well treated by us or by third parties, allow us to quantify the number of users and thus perform the measurement and statistical analysis of the

use made by users of the service offered. To do this, your browsing on our website is analyzed in order to improve the supply of products or services that we offer.

- **Advertising Cookies:** These are those that allow the management, in the most effective way possible, of the advertising spaces that, where appropriate, the publisher has included on a website, application or platform from which it provides the requested service based on criteria such as the edited content or the frequency at which the ads are displayed.
- **Behavioral advertising cookies:** These are those that allow the management, in the most effective way possible, of advertising spaces that, where appropriate, the editor has included on a website, application or platform from which the requested service is provided. These cookies store information on user behavior obtained through the continuous observation of their browsing habits, which allows the development of a specific profile to display advertising based on the same. Also, it is possible that when you visit a web page or open an email where an advertisement or promotion about our products or services is published, a cookie is installed in your browser that helps us to later show you advertising related to the search you have made, develop a control of our ads in relation to, for example, the number of times they are viewed, where they appear, what time they are seen, etc..
